

Into the Woods Production Study

VS

Into the Woods production study is due on _____

Your *Into the Woods* production study assignment is to create your own graphic organizer that compares the differences between the stage production and the movie.

Be sure to include the following:

- A graphic organizer “themed” to the production
- Images – clipart or hand drawn are fine
- Group the differences
- Be sure to explain why YOU think those differences exist. ie: storytelling, technology, time, simplification, etc
