

Nationalism & Sectionalism leads to Division

Create a brochure to show how people, inventions and social issues lead to nationalism and a stronger central government while at the same time creating sectionalism and Division.

Activity:

Students will create a poster or brochure that will touch on two aspects of Nationalism and Sectionalism. You should give details of the event, and person along with an illustration.

Nationalism & Sectionalism

leads to

Division

*Use one of following **inventions/events** & one of the following **people***
